## AN EVENING OF **NIGHT SKY STAR GAZING**

Friday, July 21st      8:00 pm – 11:00 pm  
Craig Valley Baptist Pavilion, Rt. 615

The Library's new telescope will have its first public stargazing evening. Join us at the Craig Valley Baptist Pavilion next to the Field of Dreams for a fun evening – kids and adults are welcome. The Roanoke Valley Astronomical Society will have a presentation to get us started, and they will have extra telescopes on hand so everyone will get a chance to find those far off treasures in the sky. Bring your family, bring a friend, but don't miss an opportunity to better see the beauty that is around us in the dark skies of Craig County.
